AUDITION MASTERCLASSES

Morgensterns, in partnership with the Musicians' Union have run 28 very successful Audition Masterclass sessions at music conservatories around the UK.

Participants are given the opportunity to perform a programme of orchestral excerpts to a panel of four leading orchestral principals.

Following their audition performance participants receive immediate and expert feedback - something that never happens in an official orchestral audition.

Additionally participants receive copies of the panelists comment sheets and a video of their performance.

Please contact Morgensterns if you are interested in taking part in our 2015 series of Audition Masterclasses.

For more information please visit www.morgensterns.com.

"I think the masterclasses are a very useful learning experience for aspiring orchestral players and hope that they will become a resource available to many more players".

Colin Clague (panelist, joint principal Trumpet.ENO)

"an absolutely invaluable experience"

Simon Channing (panelist, Head of Woodwind.RCM)

"a unique opportunity to play in a real setting, with a top level panel"

Joseph Sanders (panelist, principal Oboe.Rambert.Dance.Company)

"It was an interesting and inspiring afternoon in which many ideas were discussed"

Ileana Ruhemann (panelist, principal Flute.BBCCO)
